- e) identifying the key stakeholder groups and ensuring transparency and accountability to key stakeholder groups;
- f) setting the Company’s values and standards, and ensuring that the Company’s policies and practices are consistent therewith;
- g) reviewing Management performance; and
- h) assuming responsibility for corporate governance.

The Company publishes a sustainability report which is included in this Annual Report.

The Board is committed to ensure compliance with the Listing Rules of the Singapore Exchange Securities Trading Limited (“SGX-ST”). The Directors have each signed the respective undertaking in the form set out in Appendix 7.7 of the Listing Manual to undertake to use their best endeavours to comply with the Listing Rules and to procure that the Company shall so comply. A similar undertaking has been executed by the Financial Controller.

The Board ensures timely, reliable and full disclosure of material information to shareholders in compliance with statutory requirements and the Listing Rules of the SGX-ST.

THE BOARD'S CONDUCT OF AFFAIRS (CONTINUED)

Continuous Training and Development of Directors

The Company has in place an orientation programme for new Directors. Newly appointed Directors are briefed by the Board to familiarise them with the Group's business and strategic directions. The Company will arrange an incoming Director to meet up with the Management and the Company Secretary to familiarise himself with his roles, the organisation structure and business practices of the Group. This will enable him to get acquainted with Management and the Company Secretary thereby facilitating board interaction and independent access to Management and the Company Secretary.

The Nominating Committee ("NC") is charged with reviewing the training and professional development of Directors. All Directors are provided with regular updates on the latest governance and listing policies. The NC will recommend appropriate courses and seminars and arrange for updates by professionals as it deems relevant to improve the performance of the individual Directors and the Board.

Briefings and updates provided for Directors in FY 2021 included the following:

- The External Auditors briefed the Audit Committee ("AC") on developments in accounting and governance standards.
- The Chief Executive Officer ("CEO") updated the Board at each Board meeting on the Group's business and strategic developments.
- Management highlighted the salient operational and risk management issues to the Board.
- The Company Secretary briefed the Board on the amendments to the Companies Act and the Listing Rules.

The Directors had also attended appropriate courses, conferences and seminars. They also have unrestricted access to professionals for consultation on laws, regulations and commercial risks as and when necessary at the expense of the Group.

Provision 1.3

Internal Guidelines on Matters Requiring Board Approval

Provision 1.4

Delegation of Authority to Board Committees

In carrying out and discharging its duties, the Board is assisted by the AC, the NC and the Remuneration Committee ("RC"). These Committees are made up of wholly or predominantly Non-Executive Directors and chaired by Independent Directors. These Committees function within clearly defined terms of references which set out their authority and duties. The effectiveness of each Committee is also constantly being reviewed by the Board. Other Committees may be formed from time to time to look into specific areas as and when required.

The Board comprises a majority of Non-Executive Directors, with relevant and diverse experiences necessary to contribute effectively and objectively to the Group. The Company's Constitution provides for telephone and other electronic means of meetings of the Board as encouraged by the Code. This facilitates the attendance and participation of Directors at Board meetings, even though they may not be in Singapore.

Provision 1.6

THE BOARD'S CONDUCT OF AFFAIRS (CONTINUED)

Provision 1.7

Board's Access to Management, Company Secretaries and External Advisers

The Board has separate and independent access to the Management and the Company Secretaries at all times. The role of the Company Secretaries includes, inter alia, advising the Board on all matters regarding the proper functioning of the Board, compliance with the Company's Constitution and applicable regulations, requirements of the Companies Act 1967 ("Companies Act") and the Listing Rules. At least one of the Company Secretaries is present at all formal Board meetings to respond to the queries of any Director and to assist in ensuring that Board procedures as well as applicable rules and regulations are followed. The appointment and the removal of a Company Secretary are subject to the Board's approval.

Where decisions to be taken by the Board require specialised knowledge or expert opinion, the Board has adopted a policy to seek independent professional advice from external advisers.

BOARD COMPOSITION AND GUIDANCE

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

Provision 2.1

Independence of Directors

The Board consists of six Directors, of whom three are Independent and Non-Executive Directors and one is a Non-Independent and Non-Executive Director. The Executive Directors are Mr Albert Teo Hock Chuan and Ms Susan Teo Geok Tin. The Non-Independent and Non-Executive Director is Mr Lawrence Mok Kwok Wah. The Independent Directors are Mr Foo Ko Hing, Mr Chia Kwok Ping and Mr Tan Tiong Cheng.

The criteria for independence are based on the definition given in the Code and the Listing Rules. The Code has defined an "independent director" as one who is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgment in the best interests of the Company. Under the Listing Rules, a director is not independent if he is or has been employed by the Company or any of its related corporations for the current or any of the past three financial years; or if he has an immediate family member who is, or has been in any of the past three financial years, employed by the Company or any of its related corporations and whose remuneration is determined by the RC.

The independence of each Independent Director is reviewed annually by the NC. Mr Foo Ko Hing, Mr Chia Kwok Ping and Mr Tan Tiong Cheng have confirmed their independence which is in compliance with Provision 2.1 of the Code and the criteria of independence in the Listing Rules. None of the Independent Directors has attained 9 years of service on the Board as at the date of this Annual Report.

Provisions 2.2 and 2.3

Composition of Independent Directors and Non-Executive Directors on the Board

Under the Listing Rules, the Independent Directors should make up at least one-third of the Board. Under Provision 2.2 of the Code, the Independent Directors should make up the majority of the Board where the Chairman is not an Independent Director. Under Provision 2.3 of the Code, the Non-Executive Directors should make up a majority of the Board. The composition of the Board complies with the requirements of the Listing Rules and the Code except that the Independent Directors make up only half of the Board.

Given the Board size of six, the three Independent Directors led by the Lead Independent Director provide a good balance of authority and power within the Board. In addition, the NC, AC and RC which assist the Board in its functions is each chaired by an Independent Director. The Board is of the view that there is a strong independence element within the Board to justify the departure of the Board composition from the Code.

CORPORATE GOVERNANCE REPORT

BOARD COMPOSITION AND GUIDANCE (CONTINUED)

Provision 2.4

Composition and Size of the Board

The Board recognises the benefits of having a diverse Board to enhance its decision-making process.

The Board is of the view that the current Board comprises members whose diverse skills, experience and attributes provide effective direction for the Group. The Board also recognises the importance and value of gender diversity and it presently includes a female Director.

The Board constantly examines its size with a view to determine its impact upon its effectiveness taking into account the scope and nature of the operations of the Company, the requirements of the business and the need to avoid undue disruptions caused by changes to the composition of the Board and Board Committees.

Details of the Directors' qualifications, background and working experience are provided under the "Board of Directors" section of this Annual Report.

Provision 2.5

Role of Non-Executive Directors

Non-Executive Directors contribute, especially in their areas of specialties, to proposals and strategies of the Group. They also review performance of Management in achieving goals and objectives set.

During the year, the Non-Executive Directors (including the Independent Directors) led by the Lead Independent Director communicate among themselves without the presence of Management as and when the need arises. Where necessary or appropriate, the Lead Independent Director provides inputs to the Board. The Company also benefits from Management's ready access to its Directors for guidance and exchange of views both within and outside the formal environment of the Board and Board Committee meetings.

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provisions 3.1 and 3.2

- *Separate role of Chairman and CEO*
- *Role of the Chairman*

Mr Albert Teo Hock Chuan is both the Chairman of the Board and the CEO of the Group. While the roles of the Chairman and the CEO are held by Mr Teo, as set out in writing in the Board Charter, the duties of Chairman and CEO are separate and distinct, each having their own areas of responsibilities.

The Board believes that there is no need for the role of Chairman of the Board and the CEO to be separated as there is good balance of power and authority with all critical Board committees chaired by Independent Directors.

Mr Albert Teo Hock Chuan, as the Chairman leading the Board, approves the agendas for the Board meetings and ensures sufficient allocation of time for thorough discussion of each agenda item. He promotes an open environment for debate, and ensures that the Non-Executive and Independent Directors are able to speak freely and contribute effectively. He facilitates the quality and quantity of the information as well as the timeliness of the flow of information between the Board and Management. As the Chairman, he promotes high standards of corporate governance within the Company. Externally, he represents the Board to promote transparency and accountability to shareholders and other stakeholders.

As CEO, Mr Albert Teo Hock Chuan, together with the other Executive Director, have full executive responsibilities over the business directions and operational decisions of the Group. Assisting them are the Director, Property Division, the Group Quality and Systems Manager, the Group Administration Manager and the Financial Controller. The CEO is responsible to the Board for all corporate governance procedures to be implemented by the Group and ensures that Management conforms to such practices. Directors are given board papers in advance of meetings for them to be adequately prepared for the meetings and senior management staff (who are not Executive Directors) are in attendance at Board and Committees meetings whenever necessary.

- e) Reviewing training and professional development of Directors.

Provision 4.3

Process for the Selection and Appointment of New Directors

Potential candidates are sourced from a network of contacts and identified based on the established criteria. Recommendations from Directors and Management are the usual source for potential candidates. Where applicable, search through external consultants can be considered.

The NC will interview shortlisted candidates to assess their suitability and to verify that the candidates are aware of the expectations and the level of commitment required. Finally, the NC will make recommendations on the appointment to the Board for approval.

The Company's Constitution provides that one third of the Directors for the time being or if their number is not a multiple of three, then the number nearest to one-third shall retire from office at the Annual General Meeting ("AGM"). Accordingly, the Directors will submit themselves for re-nomination and re-election at regular intervals of at least once every three years. The NC is charged with the responsibility of re-nomination having regard to the Director's contribution and performance, including, if applicable, as an Independent Director.

The Directors due to retire at the forthcoming AGM pursuant to the Constitution are Ms Susan Teo Geok Tin and Mr Tan Tiong Cheng. In accordance with the Listing Rules, their particulars as set out in accordance with Appendix 7.4.1 of the Listing Manual are provided under the "Additional Information on Directors Seeking Re-Election" section of this Annual Report.

CORPORATE GOVERNANCE REPORT

BOARD MEMBERSHIP (CONTINUED)

Provision 4.4

Determining Directors' Independence

The NC is charged with determining annually whether a Director is independent. The NC has reviewed and determined that the Independent Directors are independent. Mr Foo Ko Hing and Mr Chia Kwok Ping have abstained from such NC's review of their own independence.

Provision 4.5

Multiple Board Representations

The Board has determined the maximum number of board appointments in listed companies that a Director can hold, which shall not be more than six so as to ensure that the Directors are able to commit their time to effectively discharge their responsibilities. All the Directors currently do not hold more than six listed company board representations. The NC is satisfied that each individual Director has allocated sufficient time and resources to the affairs of the Company.

Details of the Directors' principal commitments and outside directorships are set out under the "Board of Directors" section of this Annual Report.

BOARD PERFORMANCE

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provisions 5.1 and 5.2

Conduct of Board Performance

The NC has established a formal evaluation process to assess the effectiveness of the Board as a whole. Performance criteria include, inter alia, core competencies and diversity of the Board, Directors' attendance record at the meetings of the Board and Board Committees and also the contributions of each Director to the effectiveness of the Board. The performance criteria are reviewed annually by the NC to ensure they continue to be relevant. The NC Chairman will act on the results of the performance evaluation and will, in consultation with the NC, propose, where appropriate, new members to be appointed to the Board or to seek the resignation of Directors. The NC, along with the participation of the Executive Directors, carried out an evaluation and discussed the results of the evaluation of Board performance. The NC also reviewed and discussed each Director's individual performance and if he sits on a Board committee, his performance thereon, and contribution to the effectiveness of the Board. The NC is satisfied that the Board has been effective in the conduct of its duties and the Directors have each contributed to the effectiveness of the Board.

The Company does not use any external professional facilitator for the assessments of the Board, Board Committees and individual Directors, but will consider the use of such facilitator as and when appropriate.

REMUNERATION MATTERS

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provisions 6.1 and 6.2

Remuneration Committee

The RC comprises:

- Tan Tiong Cheng (Chairman)
- Chia Kwok Ping
- Foo Ko Hing
- Lawrence Mok Kwok Wah

CORPORATE GOVERNANCE REPORT

REMUNERATION MATTERS (CONTINUED)

All members of the RC are Non-Executive Directors, the majority of whom, including the RC Chairman, are Independent Directors except for Mr Lawrence Mok Kwok Wah who is a Non-Executive and Non-Independent Director.

The RC carried out its duties in accordance with its terms of reference which include the following:

- a) recommend to the Board, a framework of remuneration for the Board and key management personnel, and to determine specific remuneration packages for each Executive Director; and
- b) review Executive Directors' and key management personnel's remuneration and Non-Executive Directors' fees annually.

Provision 6.3

Review of Remuneration

All aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, ex-gratia payments, options and benefits-in-kind, will be reviewed by the RC. No member of the RC or any Director is involved in the deliberations in respect of any remuneration, compensation, options or any form of benefits to be granted to him or her.

Each of the Executive Directors and key management personnel has employment contract with the Group which can be terminated by either party giving notice of resignation/termination. The RC has reviewed the Group's obligations arising in the event of termination of the Executive Directors' and key management personnel's contracts of service, to ensure that such contracts of service contain fair and reasonable termination clauses which are not overly generous.

Provision 6.4

Engagement of Remuneration Consultants

The RC is provided with access to expert professional advice on remuneration matters as and when necessary. The professional advisers, if engaged, shall be free from any relationships with the Company as that will affect their objectivity and independence. The expenses of such professional services shall be borne by the Company.

LEVEL AND MIX OF REMUNERATION

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Provision 7.1

Remuneration of Executive Directors and Key Management Personnel

The Company's remuneration structure for its Executive Directors and key management personnel comprises both fixed and variable components. The variable component is performance related and is linked to the Group's and the Company's performance as well as individual's performance. The performance criteria are selected based on key drivers of business performance and are aligned to shareholders' value. Such performance-related remuneration is designed to align with the interests of shareholders and promote long term success of the Group. In setting remuneration packages, the RC takes into consideration the pay and employment conditions within the industry and in comparable companies.

For the year under review, the RC has reviewed the remuneration of Executive Directors and key management personnel in accordance with their performance criteria and recommended them to the Board. The Board has endorsed the RC's recommendations.

The Company has the Amara Performance Share Plan as a long-term incentive scheme to incentivise performance which is elaborated under Provision 8.3.

The Company does not have any contractual provisions in the employment contracts for the Company to reclaim incentive components of remuneration from Executive Directors and key management personnel.

CORPORATE GOVERNANCE REPORT

LEVEL AND MIX OF REMUNERATION (CONTINUED)

Provision 7.2

Remuneration of Non-Executive Directors

For the current year, the Board has recommended a fee for Non-Executive Directors which is subject to approval at the AGM. Directors' fees are set in accordance with a remuneration framework comprising a basic fee as a Director and an additional fee for serving on Board Committees, taking into consideration contribution of each of the Non-Executive Directors. The RC considers that the current fee structure adequately compensates the Non-Executive Directors, without over-compensating them as to compromise their independence.

Provision 7.3

Remuneration Framework

The remuneration framework for the Directors, CEO and key management personnel is aligned with the sustained performance of the Group and the interest of shareholders and is appropriate to attract, retain and motivate them for the long term success of the Group.

DISCLOSURE ON REMUNERATION

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provision 8.1

Remuneration Report

Directors

For confidentiality reasons and given the sensitivity of remuneration information, the Company believes that the disclosure of exact remuneration of Directors with breakdown is not in the best interests of the Company and therefore it wishes to maintain confidentiality on each individual Director's remuneration. Instead disclosures are made under the broad band of remuneration as follows:

Remuneration Band	No. of Directors	
	2021	2020
S\$500,000 to below S\$750,000	-	1
S\$250,000 to below S\$500,000	1	1
Below S\$250,000	5	4
Total	6	6

Key Management Personnel of the Group

The Company has many competitors in the same industry. By disclosing the top five key management personnel individually in bands of S\$250,000, the Company is susceptible to poaching of its key management personnel in a highly competitive market place vying for talent. Loss of its key management personnel involves considerable loss of operational know-how and cost in recruitment of similar talent and gestation period for new key management personnel to be fully inducted into the Company's work practices. All these would impact its business competitive edge vis-à-vis its competitors. Disclosure of the names of the key management personnel will not be in the best interests of the Company from a business perspective.

Provision 8.2

Remuneration of Employees who are Substantial Shareholders, or are Immediate Family Members of a Director, CEO or Substantial Shareholder of the Company

There are three employees who are immediate family members of Mr Albert Teo Hock Chuan, Director and CEO. They are his brother, sister and daughter and their remuneration individually exceeded S\$100,000 during the year.

The RC has oversight on the remuneration of the above-mentioned family members to ensure independence in remuneration of such immediate family members of the Directors and CEO. To indicate remuneration bands (including the upper limits) for each of them would give rise to visibility of their remunerations vis-à-vis their fellow colleagues who are not employees related to the Directors and CEO, and they would be unfairly disadvantaged while confidentiality of other employees' remuneration is maintained.

The Company believes that it is not in the best interests of the Group to disclose the details as required under Provision 8.2 of the Code because of the highly competitive industry conditions and also because it wishes to maintain confidentiality for more harmonious and effective human resource management within the Group.

CORPORATE GOVERNANCE REPORT

DISCLOSURE ON REMUNERATION (CONTINUED)

Provision 8.3

Employee Share Scheme

Amara Performance Share Plan (“Plan”)

The Plan was approved by the shareholders on 29 April 2014. The Plan is administered by the RC comprising Mr Tan Tiong Cheng, Mr Chia Kwok Ping, Mr Foo Ko Hing and Mr Lawrence Mok Kwok Wah.

The Plan is a share incentive scheme under which performance-based or time-based awards may be granted. The Plan is in place on the basis that it is important to retain employees whose contributions are important to the well-being and prosperity of the Group and to recognise outstanding employees of the Group who have contributed to the growth of the Group. The Plan gives participants an opportunity to have a personal equity interest in the Company and by granting such an opportunity, the Plan aims to foster a strong and lasting ownership culture within the Group which aligns the interests of its employees with the interests of shareholders.

Full-time employees (including Executive Directors) who are confirmed in their employment with the Company and/or any subsidiary shall be eligible to participate in the Plan. Controlling shareholders and their associates within the aforesaid category are eligible to participate in the Plan.

The aggregate number of shares which may be available pursuant to awards granted under the Plan on any date, when added to the number of new shares issued and issuable in respect of (a) all awards granted under the Plan and (b) options or awards granted under any other option scheme or share plan which the Company may implement from time to time, shall not exceed fifteen percent (15%) of the total number of issued shares (excluding treasury shares) on the day preceding the relevant award date.

The aggregate number of shares available to eligible controlling shareholders and their associates under the Plan shall not exceed twenty-five percent (25%) of the shares available under the Plan. In addition, the number of shares available to each controlling shareholder or his associate shall not exceed ten percent (10%) of the shares available under the Plan.

There were no shares awarded under the Plan since its inception to the end of the financial year.

RISK MANAGEMENT AND INTERNAL CONTROLS

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

Provision 9.1

Risk Management

The Board is responsible for the governance of risk management and internal controls, and determines the nature and extent of the significant risks which the Group is willing to take in achieving its strategic objectives and value creation. The responsibility of overseeing the Company’s risk management framework and policies is undertaken by the AC with the assistance of the Enterprise Risk Management Working Committee.

To enhance the Group’s continuous effort in Enterprise Risk Management (“ERM”), the Group had consulted with a reputable risk consulting firm to assist with formalising an ERM Programme and documenting an ERM Framework Manual to ensure consistency in application across the Group and sustainability of the programme.

The Group strives to attain a proper balance of risk and return in regard to its business operations and overall strategies.

The AC ensures that a review of the adequacy and effectiveness of the Group’s significant internal controls, including financial, operational, compliance and information technology risks, and risk management is conducted at least annually.

The AC has reviewed the Group’s significant internal controls, including financial, operational, compliance and information technology risk, and risk management and is satisfied that there are adequate and effective risk management and internal controls in place. Roles, Responsibilities and Authorities of Audit Committee

The AC has expressed power to investigate any matter brought to its attention, within its terms of reference, with the power to seek professional advice at the Company's expense.

The AC is authorised to obtain independent professional advice if it deems necessary in the discharge of its responsibilities. Such expenses are to be borne by the Company.
