LETTER TO SHAREHOLDERS

2. THE PROPOSED CHANGE OF AUDITOR

- 2.1 The proposed change of Auditor is set out in Ordinary Resolution 6 in the Notice of the AGM accompanying the Annual Report 2016. It is proposed to appoint Deloitte & Touche LLP as the Auditor of the Company in place of the retiring Auditor, Baker Tilly TFW LLP, and to authorise the Directors to fix their remuneration.
- 2.2 The Company has been audited by Baker Tilly TFW LLP since financial year 2005. As part of the Company's ongoing efforts to enhance its corporate governance, the Directors are of the view that it would be timely to effect a change of external Auditor with effect from the financial year ending 31 December 2017. Baker Tilly TFW LLP, the retiring Auditor, will accordingly not be seeking re-appointment at the AGM. The Directors wish to express their appreciation for the past services rendered by Baker Tilly TFW LLP. The Company invited various audit firms to submit proposals, following which the Audit Committee of the Company reviewed and deliberated on the proposals received from each of the audit firms, taking into consideration factors such as the adequacy of the resources and experience of the audit firm to be selected, and the audit engagement partner to be assigned to the audit, as well as the size and complexity of the Amara Group. After evaluation, the Audit Committee recommended that Deloitte & Touche LLP be selected for the proposed appointment. The scope of audit services to be provided by Deloitte & Touche LLP will be comparable to the services currently provided by Baker Tilly TFW LLP. The Directors have taken into account the Audit Committee's recommendation, including the factors considered in their evaluation, and are satisfied that Deloitte & Touche LLP best meets the audit requirements of the Amara Group.

The Audit Committee has not used the Audit Quality Indicators Disclosure Framework (the "AQI Framework") issued by ACRA in selecting the new appointment of Auditor but subject to the Shareholders' approval of the proposed change of Auditor, the Audit Committee intends to voluntarily adopt the AQI Framework when evaluating Deloitte & Touche LLP's performance in its ongoing audit as well as in its re-appointment in the following financial year ending 31 December 2018.

- 2.3 Deloitte provides audit, consulting, financial advisory, risk management, tax and related services to public and private clients spanning multiple industries. With a globally connected network of member firms in more than 150 countries and territories, Deloitte brings world-class capabilities and high-quality service to clients, delivering the insights they need to address their most complex business challenges. Deloitte's more than 245,000 professionals are committed to make an impact that matters.

Mr Lee Boon Teck, with over 20 years of audit experience, will be the lead engagement Partner for the audit of the company. Mr Lee's clients include public companies, multi-national corporations, statutory boards and privately-owned companies. Mr Lee has been involved in audits of groups of companies in the hospitality and leisure, real estate, investment holding, and food and beverage industry. 2.4 In accordance with the requirements of Rule 1203(5) of the Listing Manual:

- (a) the outgoing Auditor, Baker Tilly TFW LLP, has confirmed that it is not aware of any professional reasons why the new Auditor, Deloitte & Touche LLP, should not accept appointment as Auditor of the Company;
- (b) the Company confirms that there were no disagreements with the outgoing Auditor, Baker Tilly TFW LLP, on accounting treatments within the last 12 months;
- (c) the Company confirms that it is not aware of any circumstances connected with the proposed change of Auditor that should be brought to the attention of the Shareholders, which has not been disclosed in this Appendix;
- (d) the specific reasons for the proposed change of Auditor are disclosed in Section 2.2 above; and
- (e) the Company confirms that it is in compliance with Rule 712 and Rule 715 of the Listing Manual in relation to the appointment of Deloitte & Touche LLP as the Auditor of the Company.

2.5 Pursuant to Section 205 of the Act a copy of the notice of nomination of the proposed new Auditor dated 15 February 2017 from a Shareholder is attached in Annex A to this Appendix.

3. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

3.1 BACKGROUND

3.1.1 At the Annual General Meeting of the Company held on 27 April 2016 ("2016 AGM"), the Shareholders approved the Share Purchase Mandate to enable the Company to purchase or otherwise acquire its issued Shares as permitted under and in accordance with the provisions of the Act. The rationale for the authority and limitations on, and the financial effects of, the Share Purchase Mandate were set out in the Appendix to the Notice of Annual General Meeting in relation to the proposed renewal of the Share Purchase Mandate dated 12 April 2016.

3.1.2 The Share Purchase Mandate approved at the 2016 AGM was expressed, among other things, to continue in force until (a) the date on which the next annual general meeting of the Company is held or required by law or the Constitution to be held; (b) the date on which the purchase of Shares by the Company pursuant to the Share Purchase Mandate is carried out to the full extent mandated; or (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in general meeting, whichever is the earliest.

LETTER TO SHAREHOLDERS

- 3.1.3 As the Share Purchase Mandate would be expiring on 28 April 2017, being the date of the AGM, the Directors are seeking Shareholders' approval for the proposed renewal of the Share Purchase Mandate at the AGM. The renewal of the Share Purchase Mandate is set out in Ordinary Resolution 9 under the heading "As Special Business" in the Notice of the AGM accompanying the Annual Report 2016.
- 3.1.4 The purpose of this Appendix is to provide Shareholders with information relating to the proposed renewal of the Share Purchase Mandate.

3.2 RATIONALE FOR THE SHARE PURCHASE MANDATE

- 3.2.1 The rationale for the Company to undertake the Share Purchases pursuant to the Share Purchase Mandate is to enable the Directors to return the Amara Group's surplus funds over and above its ordinary capital requirements, which are in excess of the foreseeable financial and investment needs of the Amara Group, to Shareholders expediently and cost-efficiently.
- 3.2.2 The Share Purchase Mandate will give the Directors the flexibility to purchase or acquire the Shares if and when circumstances permit. The Share Purchase Mandate will also allow the Company greater flexibility over its share capital structure and dividend policy and may lead to an enhancement of EPS and/or NTA per Share of the Company and the Amara Group, depending on market conditions and funding arrangements at the time. As the Share Purchases will give the Directors the opportunity to purchase Shares when the Shares are under-valued, the Directors are of the opinion that the Share Purchases could help to buffer short-term share price volatility and offset the effects of share price speculation.
- 3.2.3 If and when circumstances permit, the Directors will decide whether to effect the Share Purchases via On-Market Share Purchases or Off-Market Share Purchases, after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.
- 3.2.4 Although the Share Purchase Mandate authorises Share Purchases up to a maximum of 10% of the total number of issued Shares during the duration referred to in Section 3.3.2 of this Appendix, the Share Purchases would be made only as and when the Directors consider it to be in the best interests of the Company and in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Amara Group, or result in the Company being delisted from the SGX-ST. The Directors will use their best efforts to ensure that after a Share Purchase, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

LETTER TO SHAREHOLDERS

3.3 AUTHORITY AND LIMITS ON THE SHARE PURCHASE MANDATE

The authority and limitations placed on the Share Purchases by the Company under the Share Purchase Mandate, if renewed at the AGM, are set out below:

3.3.1 Maximum Number of Shares

The Company may only purchase or acquire Shares which are issued and fully paid-up. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is, subject to the provisions of the Act, limited to that number of Shares representing not more than 10% of the total number of issued Shares (excluding treasury shares, if any) as at the date of the AGM at which the Share Purchase Mandate is proposed to be renewed. Any Shares which are held as treasury shares will be disregarded for the purposes of computing the 10% limit.

For illustrative purposes only, on the basis of 576,936,000 issued Shares (out of which 1,967,800 Shares were held in treasury) as at the Latest Practicable Date, and assuming that no further Shares are issued or purchased on or prior to the AGM, not more than 57,496,820 issued Shares (representing 10% of the total number of issued Shares (excluding the 1,967,800 Shares held in treasury)) may be purchased by the Company pursuant to the Share Purchase Mandate for the duration referred to in Section 3.3.2.

3.3.2 Duration of Authority

- (a) Share Purchases may be made, at any time and from time to time, on and from the renewal date, up to:
 - (i) the date on which the next annual general meeting of the Company is held or required by law or the Constitution to be held;
 - (ii) the date on which the Share Purchases are carried out to the full extent mandated; or
 - (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting,whichever is the earliest.
- (b) The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be renewed. When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose details pertaining to Share Purchases made during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases.

LETTER TO SHAREHOLDERS

3.3.3 Manner of Share Purchases

- (a) Share Purchases may be made by way of:
 - (i) an On-Market Share Purchase; and/or
 - (ii) an Off-Market Share Purchase.
- (b) In the case of an Off-Market Share Purchase, the Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme. However, an Off-Market Share Purchase effected in accordance with an equal access scheme must satisfy all the following conditions:
 - (i) offers for the Share Purchase shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
 - (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
 - (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (bb) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (cc) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.
- (c) In addition, the Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders, which must contain at least the following information:
 - (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptance;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases that will arise under the Code or other applicable take-over rules;

LETTER TO SHAREHOLDERS

- (v) whether the Share Purchase, if made, could affect the listing of the Shares on the SGX-ST;
- (vi) details of any Share Purchases in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases; and
- (vii) whether the shares purchased by the issuer will be cancelled or kept as treasury shares.

3.3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share purchased or acquired pursuant to the Share Purchase Mandate will be determined by the Directors.
 - (b) However, the purchase price to be paid for the Shares pursuant to Share Purchases must not exceed:
 - (i) in the case of an On-Market Share Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, 120% of the Average Closing Price of the Shares
- (“**Maximum Price**”) in either case, excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses.
- (c) For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last 5 Market Days, on which transactions in the Shares were recorded, immediately preceding the date of making the On-Market Share Purchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Share Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant 5 Market Days; and

“**date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Share Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Share Purchase) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Share Purchase.

LETTER TO SHAREHOLDERS

3.4. STATUS OF PURCHASED SHARES

3.4.1 General

- (a) Under Section 76B of the Act, any Share which is purchased, unless held as a treasury share pursuant to Section 76H of the Act, is deemed to be cancelled immediately on purchase or acquisition, and all rights and privileges attached to that Share will expire on cancellation. All Shares purchased by the Company, unless held as treasury shares, will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired which are cancelled and not held as treasury shares.
- (b) The Shares purchased by the Company under the Share Purchase Mandate will either be cancelled or kept as treasury shares at the discretion of the Board.

3.4.2 Treasury Shares

Some of the salient provisions on treasury shares under the Act are summarised below:

(a) Maximum holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares (including the treasury shares), and the Company shall be entered as the member holding those Shares.

(b) Voting and other rights

The Company shall not exercise any right in respect of the treasury shares and any purported exercise of such a right is void. In particular, the Company cannot exercise any right to attend or vote at meetings, and for the purposes of the Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made to the Company in respect of the treasury shares. However, the allotment of shares as fully paid bonus shares in respect of the treasury shares, and the subdivision or consolidation of any treasury shares (so long as the total value of the treasury shares after the subdivision or consolidation is the same as before the subdivision or consolidation) is permitted.

LETTER TO SHAREHOLDERS

(c) Disposal and cancellation

Where Shares purchased or acquired by the Company are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

The Company will immediately announce the sale, transfer, cancellation and/or use of the treasury shares set out above, citing the following details:

- (aa) date of the sale, transfer, cancellation and/or use;
- (bb) purpose of such sale, transfer, cancellation and/or use;
- (cc) number of treasury shares sold, transferred, cancelled and/or used;
- (dd) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (ee) percentage of the number of treasury shares against the total number of issued shares of the same class as the treasury shares which are listed before and after such sale, transfer, cancellation and/or use; and
- (ff) value of the treasury shares if they are used for a sale or transfer, or cancelled.

LETTER TO SHAREHOLDERS

3.5 SOURCE OF FUNDS

- 3.5.1 In purchasing or otherwise acquiring Shares pursuant to the Share Purchase Mandate, the Company may only apply funds legally available for such purchase or acquisition in accordance with the Constitution and applicable laws.
- 3.5.2 Under the Act, any payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the Company's capital and/or profits so long as the Company is solvent. The Company is solvent if:
- (a) the Company is able to pay its debts in full at the time of the payment of the consideration for, among other things, acquisition of any right with respect to the Share Purchase and will be able to pay its debts as they fall due in the normal course of business during the period of 12 months immediately following the date of the payment; and
 - (b) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities), having regard to the most recent financial statements of the Company and all other circumstances that the directors or managers know or ought to know affect or may affect such values, and will not after, among other things, the Share Purchase, become less than the value of its liabilities (including contingent liabilities).
- 3.5.3 The Company intends to use internal sources of funds, external borrowings or a combination of internal sources of funds and external borrowings to finance the Share Purchases.

3.6 FINANCIAL EFFECTS

- 3.6.1 If Shares purchased by the Company are cancelled pursuant to Section 76B(5) of the Act, the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly:
- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company; and
 - (b) reduce the amount of its share capital and distributable reserves proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company.

LETTER TO SHAREHOLDERS

- 3.6.2 The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the Amara Group arising from Share Purchases which may be made pursuant to the Share Purchase Mandate will depend on, among other things, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and the source of funds applied by the Company.
- 3.6.3 Based on 576,936,000 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued and disregarding the 1,967,800 Shares that are held by the Company as treasury shares on or prior to the AGM, the purchase or acquisition by the Company of up to the maximum limit of 10% of its issued Shares will result in the purchase or acquisition by the Company of up to 57,496,820 Shares.

The financial effects of the purchase or acquisition of Shares by the Company set out in this section are on the basis of the purchase or acquisition of 57,496,820 Shares made entirely out of the capital of the Company.

- 3.6.4 Assuming that the Company purchases or acquires 57,496,820 Shares at the Maximum Price, the maximum amount of funds required (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is:
- (a) in the case of On-Market Share Purchase, approximately S\$30,473,315 based on the Maximum Price of S\$0.53 per Share (being the price equivalent to 105% of the Average Closing Price (as defined in Section 3.3.4(c)) of the Shares; and
 - (b) in the case of Off-Market Share Purchase, approximately S\$34,498,092 based on the Maximum Price of S\$0.60 per Share (being the price equivalent to 120% of the Average Closing Price (as defined in Section 3.3.4(c)) of the Shares.
- 3.6.5 On the basis of the assumptions set out above and assuming that (i) such Share Purchase is financed by internal sources; (ii) the Share Purchase Mandate had been effective on 1 January 2016; and (iii) the Company had purchased 57,496,820 Shares (representing 10% of its total number of issued Shares (excluding the Shares held in treasury) as at the Latest Practicable Date), the financial impact of the Share Purchase of 57,496,820 Shares made by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Amara Group and the Company for FY2016 is set out below:

LETTER TO SHAREHOLDERS

- 3.6.6 As illustrated above, On-Market Share Purchase and Off-Market Share Purchase of a maximum of 57,496,820 Shares will result in an increase in the EPS at the Amara Group level and the Company level. The NTA per Share increase in On-Market Share Purchase and remain the same in Off-Market Share Purchase at the Amara Group level and decrease in On-Market Share Purchase and Off-Market Share Purchase at the Company level.
- 3.6.7 The Directors emphasise that they do not propose to exercise the Share Purchase Mandate to the extent that the liquidity and capital adequacy position of the Amara Group would be materially and adversely affected. The Directors will be prudent in exercising the Share Purchase Mandate only to such extent where the Directors believe will enhance shareholders' value giving consideration to the prevailing market conditions, the financial position of the Amara Group and other relevant factors.
- 3.6.8 Shareholders should be aware that the financial effects set out above are based on the assumptions set out above and are only for illustrative purposes. The above analysis is based on historical figures for FY2016 and is not necessarily representative of the Company's or the Amara Group's future financial performance. Although the proposed Share Purchase Mandate would authorise the Company to buy back up to 10% of the total number of issued Shares as at the date the Share Purchase Mandate is obtained, the Company may not necessarily buy back or be able to buy back 10% of the total number of issued Shares in full.

3.7 TAX IMPLICATIONS ARISING FROM SHARE PURCHASES

Shareholders who are in doubt as to their respective tax positions or tax implications of Share Purchases, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

3.8 REPORTING REQUIREMENTS

3.8.1 Notification to ACRA

Within 30 days of the Approval Date, the Company shall lodge a copy of the resolution approving the renewal of the Share Purchase Mandate with ACRA.

The Company shall lodge with ACRA a notice of a Share Purchase within 30 days of the Share Purchase. Such notification shall include the date of the Share Purchase, the total number of Shares purchased or otherwise acquired by the Company, the number of Shares cancelled, the number of treasury shares held, the Company's issued share capital before and after the Share Purchase, the amount of consideration paid by the Company for the Share Purchase, whether the Shares were purchased or acquired out of profits or capital of the Company and such other particulars as may be required in the prescribed form.

LETTER TO SHAREHOLDERS

3.8.2 Notification to SGX-ST

The Listing Manual requires a listed company to notify the SGX-ST of all purchases or acquisitions of its Shares not later than 9.00 a.m.:

- (a) in the case of an On-Market Share Purchase, on the Market Day following the day on which the On-Market Share Purchase was made, and
- (b) in the case of an Off-Market Share Purchase under an equal access scheme, on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase.

The notification of such purchase or acquisition of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe.

3.9 LISTING MANUAL

3.9.1 While the Listing Manual does not expressly prohibit any purchase or acquisition of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any Share Purchase at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price sensitive information has been publicly announced. In particular, the Company will not undertake any Share Purchase during the period commencing 2 weeks before the announcement of the Company's results for each of the first, second and third quarters of its financial year, or 1 month before the announcement of the Company's annual results, as the case may be, and ending on the date of announcement of the relevant results.

3.9.2 The Listing Manual requires a listed company to ensure that at least 10% of the total number of its issued shares excluding treasury shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public. The term “public” is defined in the Listing Manual to mean persons other than the directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the company and its subsidiaries, as well as the associates of such persons. As at the Latest Practicable Date, there are 156,696,910 Shares in the hands of public Shareholders, representing approximately 27% of the total number of issued Shares (excluding Shares held in treasury). Assuming the Company exercises the Share Purchase Mandate in full and purchases or acquires 10% of the total number of issued Shares (excluding Shares held in treasury) from the public, the number of Shares in the hands of the public would be reduced to 99,200,090 Shares, representing approximately 19% of the total number of issued Shares (excluding Shares held in treasury).

LETTER TO SHAREHOLDERS

Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake the Share Purchases up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

3.10 CODE IMPLICATIONS ARISING FROM SHARE PURCHASES

3.10.1 If, as a result of any Share Purchase, the proportionate interest in the voting capital of the Company of a Shareholder or persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Code. Consequently, depending on the number of Shares purchased or acquired by the Company and the Company's issued share capital at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make an offer under Rule 14.

3.10.2 Under the Code, persons acting in concert or concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company. Unless the contrary is established, the Code presumes, among others, the following individuals and companies to be persons acting in concert with each other:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
 - (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights; and

LETTER TO SHAREHOLDERS

- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company.

- 3.10.3 The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Code.
- 3.10.4 In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or, in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months.
- 3.10.5 Under Appendix 2 of the Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.
- 3.10.6 The interests of the Directors and Substantial Shareholders of the Company in the Shares are disclosed in Section 4 below.

LETTER TO SHAREHOLDERS

- 3.10.7 As at the Latest Practicable Date, our Chief Executive Officer, Albert Teo Hock Chuan, together with our Directors, Susan Teo Geok Tin (who is the sister of Albert Teo Hock Chuan) and Lawrence Mok Kwok Wah (who is the brother-in-law of Albert Teo Hock Chuan and Susan Teo Geok Tin) together with Corinne Teo Siew Bee and Teo Kwee Chuan (“Teo Family”) hold, as at the Latest Practicable Date, in aggregate, more than 50% of the total number of issued Shares.

Since the Teo Family already collectively hold more than 50% of the total number of issued Shares, Share Purchases pursuant to the Share Purchase Mandate will not result in any of the Teo Family incurring an obligation to make a mandatory take-over offer under Rule 14 read with Appendix 2 of the Code.

- 3.10.8 Taking into account the foregoing and so far as the Company is aware, as at the Latest Practicable Date, assuming (a) the Company purchases the maximum limit of 10% of the total number of issued Shares, and (b) there is no change in the number of Shares held or deemed to be held by the Directors and Substantial Shareholders prior to and after the exercise of the Share Purchase Mandate, none of the Directors and Substantial Shareholders will become obligated to make a mandatory take-over offer under Rule 14 in the event that the Company purchases or acquires the maximum number of 57,496,820 Shares under the Share Purchase Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Code as a result of any Share Purchase by the Company should consult the Securities Industry Council and/or their professional advisers at the earliest opportunity.

3.11 SHARES PURCHASED DURING THE PREVIOUS 12 MONTHS

As at the Latest Practicable Date, the Company had purchased an aggregate of 167,400 Shares by way of On-Market Share Purchase pursuant to the Share Purchase Mandate approved by the Shareholders at the 2016 AGM. The highest and lowest price paid were S\$0.50 and S\$0.49 per Share respectively and the total consideration (excluding Goods and Services Tax) paid for all purchases was S\$83,029.35.

As at the Latest Practicable Date, 1,967,800 Shares were held as treasury shares.
