Explanatory Note 1:

The Ordinary Resolution in item 10 is to authorise the Directors of the Company from the date of the above Meeting until the next Annual General Meeting to issue shares and convertible securities in the Company up to an amount not exceeding in aggregate 50 percent of the total number of issued shares excluding treasury shares of the Company of which the total number of shares and convertible securities issued other than on a pro rata basis to existing shareholders shall not exceed 20 percent of the total number of issued shares excluding treasury shares of the Company at the time the resolution is passed, for such purposes as they consider would be in the interests of the Company. For determining the aggregate number of shares that may be issued, the percentage of issued shares will be calculated based on the total number of issued shares excluding treasury shares in the capital of the Company at the time this resolution is passed (after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time this resolution is passed and any subsequent bonus issue, consolidation or subdivision of the Company's shares). This authority will, unless revoked or varied at a general meeting, expire at the next Annual General Meeting of the Company.

Explanatory Note 2:

In respect of the Ordinary Resolution in item 11, the Company intends to use internal sources of funds, external borrowings or a combination of internal sources of funds and external borrowings to finance purchases or acquisitions of the Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on, among other things, whether the Shares are purchased or acquired out of capital and/or profits of the Company, the aggregate number of Shares purchased or acquired, and the consideration paid at the relevant time. Purely for illustration purposes, the financial effects of Share Purchases on the audited financial statements of Amara Group and the Company for the financial year ended 31 December 2013, based on certain assumptions, are set out in the Appendix to the Notice of Annual General Meeting dated 14 April 2014 in relation to the proposed renewal of the Share Purchase Mandate.

Note:

A member of the Company entitled to attend and vote at the above Meeting may appoint a proxy to attend and vote on his behalf and such proxy need not be a member of the Company. The instrument appointing a proxy together with the power of attorney (if any) under which it is signed or notarially certified or office copy thereof must be lodged at the Registered Office of the Company not less than 48 hours before the time appointed for the Meeting.
